Pursuant to Section 20 of the Commission's Rules of Practice, 39 C.F.R. § 3001.20, The Brooklyn Union Gas Company d/b/a KeySpan Energy Delivery New York And Key Span Gas East Corporation d/b/a KeySpan Energy Delivery Long Island ("KeySpan Energy") hereby give notice of their joint and several intervention in the above proceeding.

1. KeySpan Energy designates the following person to receive service in this proceeding:

mfabric@keyspanenergy.com

2. The principal offices of KeySpan Energy are located at One MetroTech Center, Brooklyn, New York and 175 East Old Country Road, Hicksville, New York. KeySpan Energy is engaged primarily in the distribution of natural gas and the generation of electricity. KeySpan Energy is a large user of mail services. KeySpan Energy incurs over \$12,000,000 annually in total postal charges, primarily for customers' billing and business reply mail.

3. On September 24, 2001, the United States Postal Service ("USPS") filed a request for a recommended decision regarding a USPS proposal to change rates and fees for postal services. 4. KeySpan Energy has a statutory interest in the matters to be heard and decided in this proceeding of such a nature that its intervention is necessary and appropriate. KeySpan Energy will be an active participant in this proceeding.
